CDN Group of companies is a Canadian owned and operated manufacturing and construction firm located in Delhi, ON. At CDN we specialize in designing, manufacturing and installing durable steel structures for residential, commercial and agricultural applications. Our mission is to provide our customers with quality-built structures with integrity and excellence.

We firmly believe our employees are our best assets and we are committed to providing ongoing training and support to allow them to reach their full potential. We are seeking an ambitious and driven Licensed Plumber (306A) to join our Plumbing Division and help us grow our expanding business.

Key Responsibilities:

- Represent CDN in a professional and courteous manner on each call, keeping customer service at the forefront.
- Perform installs, repairs and maintenance of plumbing systems and fixtures in residential, commercial, institutional, industrial or public buildings. This list includes but is not limited to:
 - Supports and hangers for pipes, fixtures, and equipment.
 - Valves and fittings.
 - Water treatment equipment, piping, and controls.
 - Faucets, sinks, tubs, and toilets etc.
 - Water heaters and filtration equipment.
 - Plumbing fixtures, appliances, and trim.
 - Test pipe systems and fixtures for leaks including backflow testing.
 - Diagnose on-site problems, accurately estimate repair costs, continual value-added communication and proper maintenance with the home and/or business owner.
 - Work in cooperation with other trades and labourers to ensure that all specifications, legislation/policies are met, and to ensure efficient completion of any project.
 - Perform general and specific equipment inspections.
 - Identify required tools/special equipment and select the type and size of pipe required.
 - Maintain up-to-date knowledge of all modern equipment and regulations.
 - Adhere to all safety rules and procedures and relevant regulatory requirements.

Skills, Abilities and Experience:

- Must be a licensed Plumber (306A).
- 3-5 years of experience in Plumbing
- Must have a driver's license with clean drivers abstract.
- Must be physically capable of performing all the work required for this position.
- Must have very strong customer service and communication skills with ability to go above and beyond.
- Strong interpersonal and problem-solving skills.

It is considered an asset if you possess the following:

- Safety certifications: Fall Arrest, WHMIS, Confined Space, Standard First Aid/CPR.
- Certified G2 Gas License considered an asset.

Please note that this position requires a Driver's Abstract to be completed for potential candidates. This check must be satisfactory for an employment offer to be extended.

Benefits:

As a member of the Delhi & District Chamber of Commerce, CDN GROUP offers its employees a Chambers Plan Employee Benefits package after completing 3 consecutive months of employment. This plan will include:

- Employee Life Insurance
- Dependent Life Insurance
- Accidental Death & Dismemberment
- Long Term Disability
- Extended Health Coverage
- Dental Coverage

Schedule:

- Day shift- Monday through Friday
- 40 hours per week shift with possibility of overtime

Supplemental pay types:

- Overtime pay after 44 hours in a work week.

Experience:

- plumbing: 3-5 years (required).
- ability to accurately read blueprints.

License/Certification:

- 306A Plumber Journeyman or Red Seal (required).
- G Drivers (required).
- Work Location: Local to Delhi area, On the road, some travel required with overnight stays.

Please submit all cover letters, resumes and references in confidence via one of the following methods:
