On Site

CDN Group of companies is a Canadian owned and operated manufacturing and construction firm located in Delhi, ON. At CDN we specialize in designing, manufacturing and installing durable steel structures for residential, commercial and agricultural applications. Our mission is to provide our customers with quality-built structures with integrity and excellence.

We firmly believe our employees are our best assets and we are committed to providing ongoing training and support to allow them to reach their full potential.

We are seeking an ambitious and driven Structural Detailer to join our Engineering Team and help us grow our expanding business. Recent graduates of a related program are welcome to apply.

Responsibilities:

- Detail and/or check projects of various complexities.
- Detail buildings using design output.
- Able to work in a fast-paced environment and able to meet expected issue dates.
- Recommend improvements to continually innovate buildings designs.
- Use structural analysis software to model and design steel structures.
- Attend site visits and meetings related to ongoing projects for the general review of construction.
- Review shop drawings and design details.
- Prepare written reports and structural details based on the team leader's instructions.
- Interpret shop drawings and blueprints.
- Process change orders.
- Maintain a professional and safe workplace environment.
- Coordinate projects with internal company divisions.

Requirements:

- Knowledge in steel connection design, truss systems, and reinforced concrete foundations.
- Familiarity with low-rise steel-framed construction.

- Work independently with minimal supervision.
- Must be proficient in using AutoCAD and Revit. 2 to 3 years of working experience would be a strong asset.
- Must have prior knowledge in pre-engineered metal building construction methods and best practices.
- Ability to read and interpret Architectural and Structural drawings.
- Knowledge of Microsoft Word and Excel, required to compile letters and reports.
- Strong communication skills (oral and written English).

Benefits:

As a member of the Delhi & District Chamber of Commerce, CDN GROUP offers its employees a Chambers Plan Employee Benefits package after completing 3 consecutive months of employment. This plan will include:

- Employee Life Insurance
- Dependent Life Insurance
- Accidental Death & Dismemberment
- Long Term Disability
- Extended Health Coverage
- Dental Coverage

Schedule:

- Day shift- Monday through Friday
- 40 hours per week with possibility of overtime

Supplemental pay types:

- Overtime pay after 44 hours in a work week.

We thank all those who apply, only qualified candidates will be contacted for an interview. Please submit all cover letters, resumes and references in confidence via one of the following methods:
